When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0.00% to 2.0% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.

We may also receive a referral fee if we refer you to the Steadfast Life and you arrange a policy with them. The referral fee will be dependent upon the policy you arrange with them and can vary between 1.00% and 25% of the policy's commission.

We may receive other referral fees from time to time for referring you to third parties (such as repairers, other professional etc). If we refer you to a third party, we will inform you at that time if we receive a referral fee. Details of the amount of the referral fee is available upon request in writing to us.

What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to?

Maxrin Pty Ltd T/As Maxton Insurance Brokers is authorised to advise and deal in general insurance products to wholesale and/or retail clients. We will do this for you as your broker unless we tell you otherwise.

Will I receive tailored advice?

Not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all the information we ask for, any advice you receive may not be appropriate to your needs, objectives, and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

What information do you maintain in my file, and can I examine my file?

We maintain a record of your personal profile, including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on our website, maxton.com.au

If you wish to look at your file, please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account, or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

If you require assistance from us regarding a claim, which requires an unexpected and significant amount of time or expertise, we reserve the right to make an additional charge for the services.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0.00% and 26.5%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

We may charge a broker administration fee for each insurance transactions, which may vary depending on the services provided to you. The fee charged will be shown as a separate item on our invoice.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0 to 50% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary. They may also receive a performance bonus which is paid at the discretion of the directors.

If we give you personal advice, we will inform you of any fees, commission, or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.
